

“Practise Social Distancing” Floor Decals

“On Social Distancing...” “Please listen and act so we can save lives and livelihoods.”

Scott Morrison Prime Minister of Australia

Social Distancing Floor Decal Packs

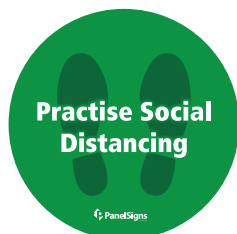

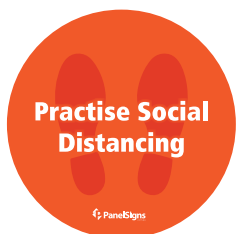

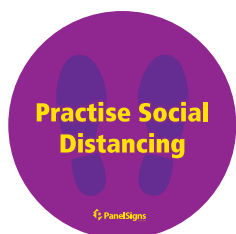

For Most Surfaces

We have created Social Distancing floor decal packs to assist business and government to safely and easily aid in guiding the public to practise social distancing when queuing and meeting on most surface types.

These decals are bright in colour and are easy to read and follow. Each decal assists in guiding people to their “safe place” as they queue or meet with others. The decals also assist in keeping the public at a safe distance from staff and contractors at each business location.

“Workplaces practising social distancing with the aid of “Social Distancing Decals”

“Practise Social Distancing” Floor Decals

“Practise Social Distancing” Decals in place

Simple to install, Simple to Follow.

Our social distancing decal system has been well considered and designed for all businesses on most floor surfaces both indoor and outdoors. With our included “Installation kit” we have made it simple for all business locations to follow our step by step guide to install these decals in minutes at almost any location Australia wide.

PACKAGES:

Includes Freight, Metro Australia Wide

Pack 6 = \$110 + GST

Pack 12 = \$179 + GST

Pack 24 = \$329 + GST

Pack 48 = \$600 + GST

Simply identify the pack appropriate for your location/s. Each decal kit is made up of a variety of different coloured decals. These decals have been produced in volume in order to provide the best possible price point. We recommend 3 to 6 floor decals per standard queue line. Should you require custom decal designs and quantities we are pleased to assist, simply contact us on 1300 20 12 20 or info@signsite.com.au.

How To Order Your Pack/s

Contact us on **1300 20 12 20** or **email info@signsite.com.au** with the following information.

- 1) Your company name for invoicing purposes
- 2) Your contact details
- 3) Shipping address/s
- 4) Which pack/s you would like to order

We will then contact you with estimated time frames for delivery, generally 4 to 5 working days subject to demand and availability. We are here to help with any questions you may have.

KIT – *What is included*

We provide you with each decal pack an installation kit to make installation a breeze.

- Instructional guide with grid pattern identifying how to identify social distancing “safe zones”
- 2 metre ruler with instructions to set from each decal centre to the following decal forming your safe zone grid.
- Squeegee decal applicator – To make applying your decal simple
- Decal Pack – Corresponding to the volume you desire for your location.

“Practise Social Distancing” Floor Decals

Product Data and Surfaces Suitability

Key Features
